**Knights in Action**

Chris Ruggiero and Harold Gibson responded to a request to assist brother knight Jim Smith in the tear down of the Immaculata University Art Show. This is a huge task that requires a crew of twenty. On February 22 a formal thank you was sent by the IUAS Art Coordinator to recognize this significant help. The organization hopes that more Knights will respond next year to help with the event. In addition, Monsignor Mullin took note of this contribution and was glad to see this council is getting involved with community events.

Ed Smith and Phil Forlano continued in coordinating the free throw competition at the District level on February 22. All prior winners were given trophies and certificates. The winners participated in the District 17 competition against winners from other councils. The competition was held Feb 22, 2003 at St Maximillian Kolbe School. St Elizabeth Council had one District winner, Tori Viscuso in the 12 year old girl group. Congratulations to Tori. Chris Cordivari, 11 year old boys group, lost in a triple overtime shootout.

## Vocations

The following is taken from the Knights of Columbus magazine "Columbia"

**"The Knights of Columbus has been cultivating vocations for generations. One son and daughter at a time.**

For decades, the Knights of Columbus has supported the Catholic faith in ways that have helped thousands become stronger with God's love. And, by encouraging loved ones to pursue priestly and religious vocations, we not only recognize our duty, we celebrate our faith.

## Keep the Faith Alive

Remember, **YOU** can make a difference to someone considering a vocation.

## On the Light Side....

A young man and a priest are playing golf together. At a short par-3 the priest asks, "What are you going to use on this hole my son?" The young man says, "An 8-iron, father. How about you?" The priest says, "I'm going to hit a soft seven and pray." The young man hits his 8-iron and puts the ball on the green. The priest tops his 7-iron and dribbles the ball out a few yards.

The young man says, "I don't know about you father, but in my church when we pray, we keep our head down."

One golfer asked his friend, "Why are you so late in arriving for your tee time?" His friend replied, "It's Sunday. I had to toss a coin between going to church or playing golf." "Yes," continued the friend, "but that stills doesn't tell me why you are so late."

"Well," said the fellow, "It took over 25 tosses to get it right!"

An American went to Scotland and played golf with a newly acquainted Scottish golfer. After a bad tee shot, he played a "Mulligan" which was an extremely good shot. He then

asked the Scot, "What do you call a Mulligan in Scotland?"

"We call it a 3."

A reporter was interviewing Jack Nicklaus. He said, "Jack, you are spectacular, your name is synonymous with the game of golf. You really know your way around the course. What is your secret?"

To which Jack replied, "The holes are numbered!"
