Of all our accomplishments last year, I am most proud of our participation in the community service projects, such as the Oak Tree and Williamson clothing drive in June, as well as, raising over one thousand dollars for mentally challenged adults in Pennsylvania.

The month of October is significant in the short history of our council. It was on October 22, 2001 we met with Monsignor Mullin to discuss the formation of a parish KOC council. In two years, we have welcomed over sixty men into our council, which has led to us being recognized as a Star Council.

Chris Rugeiro and Jeff Ciardi. Please plan on joining us next year (mark your calendars now!) on Monday, September 20th, at the Kimberton Golf Club. Thanks to brother Bob Hays for welcoming the Assembly to his facility!

Profile: Steve Golus Advocate

Steve joined the Knights in 1992 with the St. Mary Star of the Sea council (#9111) in Oceanside, California. He quickly attained the ranks of 1st and 2nd degree in March 1992 with his 3rd degree following that September. A couple of years later in August 1994, he transferred to the St. Peter council when his family relocated from sunny Southern California to bucolic Southeastern Pennsylvania. He

Grand Knight's Word

As we begin our second year, I am confident that this year will be even more successful and prosperous than our first year as St. Elizabeth's KOC Council.

Fourth Degree Golf Outing

The Fourth Degree Assembly 1873 had a golf outing on Sept. 26th 2003 at Ingleside Golf Club. 42 players enjoyed a beautiful day on the course. Players tested their skills with a long drive competition, closest to the pin as well as the very popular casino hole where every player had a chance to make some money! (The big winner was Assembly 1873). We had three hole sponsors from our council (including the council), special thanks to SK

joined the St. Elizabeth council at its formation. Currently Steve is the Advocate for our St. Elizabeth council.

At the St. Mary Star Of The Sea council, Steve held the office of Chancellor for one year. During his short time with St. Mary Star Of The Sea council he was active in the Community Service committee, which picked up food contributions every month for local distribution to disadvantaged families.

Steve is quite active at the Saturday evening 5:30 mass. Besides serving as an usher, he's also on the chair set-up committee, and Saturday evening greeting team. He's even on the trailer pulling team (no, he uses his truck) and a member of the Church Office building sub-committee.

Married for 19 years to his wonderful wife, Theresa, whom he met in a Catholic Singles group in Orange County (the O.C.!!), CA, they have been blessed with four children, three girls Julia, 18 (a freshman in college), Michelle, 16, and Kimmy 5 months, and one son, Daniel, 10 years. Daniel also participates at the 5:30 mass with Dad as an usher (future Knight in training!). Steve is the den leader for Daniel's Webelos group, part of the Pickering Valley Cub Scout troop.

In December 1980, Steve graduated from the University of Michigan with a Computer and Information Science degree. During college, he did a co-op stint at Burroughs Corporation. After graduation he was hired on full time with Burroughs, moving to Southern California from Michigan. In

1994 Steve took a job transfer to the Burroughs Tredyffrin facility. He's been with Burroughs/Unisys now for 24½ years, working in areas from operating system design to system architecture. When asked about retirement, Steve replies, "What's that?" (see previous paragraph and you'll understand).

With what little free time Steve has, he enjoys varied hobbies like woodworking, sailing, and camping

Let's make this year a 100% participation!

Paper Products Drive - Oak Tree

Our council received an emergency phone call in July

from a staff member of the Oak Tree Foundation. The Oak Tree is an organization that helps those in need in the Chester County Area. With the summer months in full swing, they were short on Paper Products for the families that they support through out the year. The Community Service Committee sent out an E-mail to the council members requesting brothers to bring a paper product to the next meeting.

Well, the support was overwhelming on the paper products request. Five large boxes of paper goods were delivered during July and your contributions helped fill a shortfall in the paper products inventory thru these summer months.

We wanted to say a special "Thank You" from those who represent the Oak Tree Foundation.

Brothers - Thank you again for all of your support - great job!

Vocations

For most, it is not easy to commit to a religious or priestly vocation. Yet the rewards of following this path are immeasurable – for the religious as well as for all who benefit from their generous works. Please consider what you might do to encourage and support someone who may be called to this vocation. Our Church is in need of more good men and women to follow this highly rewarding, yet less-traveled path.

Keep the Faith Alive

Remember, **YOU** can make a difference to someone considering a vocation.

On the Light Side....

The schoolteacher was taking her first golfing lesson. "Is the word spelled p-u-t or p-u-t-t" she asked the instructor. "P-u-t-t is correct", he replied. "Put means to place a thing where you want it. Putt means merely a vain attempt to do the same thing."

Two senior ladies met for the first time since graduating from high school. One asked the other, "You were always so organized in school," "did you manage to live a well planned life?" "Oh yes," said her friend. "My first marriage was to a millionaire, my second marriage was to an actor, my third marriage was to a preacher, and now I'm married to an undertaker." Her friend asked, "What do those marriages have to do with a well planned life?" "One for the money, two for the show, three to get ready, and, four to go."
